

Referral Bonus

The WorldStrides referral bonus program provides WorldStrides Program Leaders the opportunity to refer new potential Program Leaders to WorldStrides and receive a cash bonus of \$200 as a reward for doing so. This program is effective for new referrals submitted to WorldStrides Australia.

To qualify:

- **The referring Program Leader:**
 - Must have travelled with or be in the process of planning a tour with WorldStrides.
- **The referred new Program Leader:**
 - Must be creating a new WorldStrides tour (i.e., they are not taking over an existing tour from the referring Program Leader).
 - Must not have previously travelled with WorldStrides as a Program Leader, chaperone, or tour participant.
 - May not be travelling on the same tour as the referring Program Leader unless the referring Program Leader also has their own separate tour during the same travel year or if they are recruiting from separate schools.
 - Must deposit for their tour within two years of the date they were referred.

Note, only one referral bonus is payable per tour that travels with us.

How it works:

- Once the referred new Program Leader books their tour and pays the tour deposit to WorldStrides,
- WorldStrides pays \$200 to the referring Program Leader's account.
